

# Organic Bowl & Restroom Cleaner With Blue Shield™ Technology

BLUE SHIELD™  
TECHNOLOGY

Melts Soap Scum  
Removes Tough Stains  
Phosphate-Free  
Non-Caustic  
Pleasant Aroma

## Green Clean

**Shark Attack® Organic** with **Blue Shield™ Technology** is a powerful organic bowl cleaner that is the ideal replacement for harsh acidic cleaners such as hydrochloric acid. This bowl and restroom cleaner melts soap scum, removes the toughest bowl stains, removes hard water stains & cleans dirty tile & grout while leaving behind a protective layer that fights against future build-up. **Shark Attack® Organic** is formulated as a thick clinging formula that provides extended contact time for an effective cleaning. **Shark Attack® Organic** does not contain harsh chemicals such as butoxyethanol or chlorinated solvents. It is caustic-free, phosphate-free, & silicate-free.

## Protective Layer

**Shark Attack® Organic** is now better with all-new **Blue Shield™ Technology**. It protects and cleans up to 80% faster. **Blue Shield™ Technology** works by leaving a protective layer of cleaner on your bathroom surfaces, thereby keeping them away from soil, soap scum, hard water stains, and more.

## Directions For Use

Spray or apply on the surface to be cleaned. Allow product to sit for few minutes. Wipe with cloth, bowl swab or sponge. Rinse thoroughly with water. For metal surfaces, test first in an inconspicuous area.
