CC BRAND CLEANERS

Shark Attack® cleaners are versatile and highly effective for a wide range of restroom cleaning tasks. Whether you are dealing with tough bowl & urinal stains, soap scum and hard water stains in a shower stall, a bathtub or a water fountain, these cleaners are designed to tackle multiple type of surfaces and issues. These cleaners are an all-in-one solution for restroom maintenance. They ensure high standards of cleanliness and hygiene.

Shark Attack® cleaners are available in different strengths, allowing users to choose the right level of cleaning power based on the severity of the buildup. Some formulations include **Blue Shield™** protection that help prevent future buildup or staining, making it easier to maintain cleanliness over time. Whether for routine cleaning or tackling deep stains, there is a **Shark Attack®** cleaner designed to meet the specific needs of restroom maintenance.

Demo:

Shark Attack® Organic

Shark Attack® Organic with **Blue Shield™ Technology** is an organic acid-based cleaner that removes bowl and urinal stains, soap scum, hard water stains and cleans dirty tile & grout. It is an ideal replacement for harsh acidic cleaners such as hydrochloric acid. It is phosphate free. It's **Blue Shield™** protection helps prevent future buildup or staining. Thick formula provides extended contact time for an effective cleaning. Fragrance: Fresh. Packing: RTU 12/32 oz

Shark Attack® Professional

Shark Attack® Professional with **Blue Shield™ Technology** is a powerful restroom cleaner. It removes tough bowl and urinal stains, melts soap scum, removes hard water stains and cleans dirty tile & grout. It includes Blue Shield™ protection that help prevent future buildup or staining. Thick formula provides extended contact time for an effective cleaning. Fragrance: Citrus. Packing: RTU 12/32 oz.

Shark Attack Strong®

Shark Attack® Strong is a powerful cleaner with almond fragrance that removes the toughest bowl and urinal stains, melts soap scum, removes hard water stains and cleans dirty tile & grout. Fragrance: Almond. Packing: RTU 12/32 oz

*WERCS (Worldwide Environmental Regulatory Compliance Solutions) certified products comply with environmental regulations. WERCS is a division of Underwriters Laboratories (UL).

Shark Attack® Organic Foam

Eco-Friendly 

Shark Attack® Organic Foam with Blue Shield™ Technology is an organic acid-based foam cleaner that removes bowl and urinal stains, soap scum, hard water stains and cleans dirty tile & grout. It is formulated to make copious foam when sprayed with a foaming-type sprayer. The foam provides extended contact time and penetrates the dirt for fast and effective cleaning. It is best for medium and large facilities where reduction in cleaning time is achieved by manual or battery-operated sprayers. It is an ideal replacement for harsh acidic cleaners such as hydrochloric acid. It is phosphate free. It's **Blue Shield™** protection helps prevent future buildup or staining. Fragrance: Rain. Packing: 4/1 gal

Shark Attack® Pro Foam

Shark Attack® Pro Foam with Blue Shield™ Technology is a powerful foam cleaner for restrooms. It removes tough bowl and urinal stains, melts soap scum, removes hard water stains and cleans dirty tile & grout. It is formulated to make copious foam when sprayed with a foaming-type sprayer. The foam provides extended contact time and penetrates the dirt for fast and effective cleaning. It is best for medium and large facilities where reduction in cleaning time is achieved by manual or battery-operated sprayers. It's **Blue Shield™** protection helps prevent future buildup or staining. Fragrance: Cherry. Packing: 4/1 gal

ODOZAP™ Odor Counteractant

ODOZAP™ is a fast acting odor eliminator that instantly neutralizes malodors from smoke, waste, vomit, urine, feces, diaper pails, garbage cans, shoes, gym bags, fabric, laundry, carpets, cooking, mold, mildew, pets, kennels, boats, buses, airplanes, etc. Packing: RTU: 12/32 oz, Concentrate: 4/1 gal.

Touchdown® All Purpose Cleaner

WERCS* Certified
Eco-Friendly 

Touchdown™ is an all-purpose cleaner, perfect for any non-porous surface. Just spray and wipe with a cloth, sponge, or paper towel to get the job done. **Touchdown™** is formulated to cut through grease, heavy dust, dirt, and oils to leave your surfaces spotless. Packing : RTU 12/32 oz, Concentrate 4/1 gal

Oxy-Green™ All Purpose Peroxide Cleaner

WERCS* Certified
Eco-Friendly 

Oxy-Green™ is an all-purpose cleaner/degreaser which is environmentally friendly and is formulated with raw materials derived from natural sustainable resources to quickly remove everyday soils and stains. **Oxy-Green™** effectively cleans windows, floors walls, carpet, rest rooms, kitchens, tile and grout. Packing: RTU 12/32 oz, Concentrate 4/1 gal

RIA™ Laundry Detergent & Stain Remover

RIA™ is a high-performance laundry detergent that doubles as a powerful stain remover. Specifically formulated for use in both standard and high-efficiency (HE) washing machines, as well as industrial washers. **RIA™** is engineered with advanced surfacants and enzymes. This innovative formula breaks down stubborn stains while safeguarding the vibrancy of your clothes. Packing: RTU 12/32 oz.

Super Power™ Dish Spray

SUPER POWER™ Dish Spray is an easy-to-use high-performance formula that effectively combats grease and food residue on pots, pans and dishes. Its clinging foam ensures excellent cleaning of dishes. It rinses easily and leaves behind streak-free shiny dishes. Packing: RTU 16 fl oz (Refill: 32 oz)

*WERCS (Worldwide Environmental Regulatory Compliance Solutions) certified products comply with environmental regulations. WERCS is a division of Underwriters Laboratories (UL).

Gleam™ Neutral Floor Cleaner

Eco-Friendly 

Gleam™ is a concentrated low-foam cleaner recommended for all floor types (VCT, Marble, Ceramic, Granite and others). **Gleam™** is a neutral cleaner, with excellent soil removing properties. Packing: Concentrate 4/1 gal, CC Pack 48/1.5 oz

Maxxol™ Wash & Wax

Maxxol™ Wash & Wax is a perfect blend of anionic surfacants, non-ionic surfacants, solvents and fine waxes designed for efficient, no-streak cleaning. This premium formula gently emulsifies dirt and road film without compromising wax protection. It's unique conditioners leave behind rich color and a glossy finish. Packing: Concentrate 4/1 gal

Maxxol™ Automotive Dressing

Maxxol™ Automotive Dressing is an all-in-one versatile shiner that protects, beautifies, and embellishes tires, rubber, vinyl, leather, sealed wood, metal, ceramic, marble, and plastic surfaces. **Maxxol™ Automotive Dressing** makes surfaces anti-static to repel dust and dirt. It is formulated with UV protection to provide an extra layer of protection from sunlight. Packing: RTU 12/32 oz

Bullet™ Bacterial Detergent & Odor Remover

Eco-Friendly 

Bullet™ is a multipurpose bacterial detergent, designed to combat the buildup of grime, clear drains and grease traps. Fortified with potent enzymes, **Bullet™** accelerates the natural waste breakdown process. This dynamic formula actively targets grease, fats, and various organic substances that can obstruct drains and produce undesirable odors. Packing: Concentrate 4/1 gal

Bullet™ Greasy Floor Cleaner

Eco-Friendly 

Bullet™ Greasy Floor Cleaner is the ultimate solution for tackling tough grease and grime on floors, particularly in demanding environments like commercial kitchens and automotive shops. With its specialized formula, **Bullet™ Greasy Floor Cleaner** stands out as an indispensable tool for establishments where cleanliness and safety are paramount. Packing: Concentrate 4/1 gal

Glazze™ Glass Cleaner

Eco-Friendly 

Glazze™ is a non-ammoniated glass cleaner that cleans without streaking. **Glazze™** is safe to use on more than just glass. It can be used to clean tile, stainless steel, chrome, plastic, counter tops, and more. Packing: RTU 12/32, Concentrate 4/1 gal and CC packs 48/1.5 oz

XP™ Urine Stain & Odor Remover

Eco-Friendly 

XP™ Urine Stain and Odor Remover was made to tackle some of the harshest odors that come from urine, vomit, feces, blood, food spills, garbage and tough household pet stains. It disintegrates uric acid and attacks cell walls of odor causing bacteria. Packing: RTU 12/32 oz.

Greasol™ 7 Neutral Degreaser

Eco-Friendly 

Greasol™ 7 is a powerful degreaser that removes a wide spectrum of soils. **Greasol™ 7** emulsifies lubricants, tar, petroleum grease, animal fats, proteins, vegetable oils, soap scum, and more. Its foaming property provides extended contact time, ensuring complete removal of the toughest grease. Packing: RTU 12/32 oz, Concentrate 4/1 gal

Rock Star™ Floor Finish

Rock Star™ Floor Finish is a guaranteed modified acrylic floor finisher that makes your job easier in the long run. Used on most tiles and ceramic floors, **Rock Star™** provides an excellent gloss and a superior response to high speed burnishing.

Rock Star™ is designed for use in schools, offices, churches, grocery stores, retail stores, health care and industrial sites. Packing: 5 gal Pail.

Strip-Easy™ Floor Stripper

Strip Easy™ is a high performance, low odor, non-toxic, non-corrosive, ammonia free wax and finish remover formulated for use with or without scrubbing machines. It easily penetrates through heavy finish build-ups. **Strip Easy™** is suitable for use on a variety of floors. This product can be diluted in either hot or cold water without effecting its performance. Packing: 5 gal Pail.

Greasol™ 21 Heavy Duty Degreaser

Greasol™ 21 is a heavy-duty versatile degreaser that emulsifies heavy petroleum grease, oils, lubricants, tar, fats, soap scum, black heel marks, inks, shop dirt, carbon deposits, adhesives, and more. It is an excellent engine degreaser, oven cleaner, floor stripper, steam cleaner and tire wall cleaner. It is very effective laundry pre-spotter. It contains no harsh abrasives. Packing: RTU 12/32 oz, Concentrate 4/1 gal

PWS™ Pressure Wash Soap

PWS™ Pressure Wash Soap is a multipurpose outdoor concentrated cleaner formulated for use in pressure/soft washers & scrubbers with or without chlorine bleach. **PWS™** is highly concentrated. It enhances the cleaning power of chlorine bleach. Use **PWS™** on hard surfaces for stains, dirt and grease removal. It is ideal for house washing, sidings, roofs, concrete and more. Packing: Concentrate 4/1 gal, 5 gal Pail

Clorowash™ Color Marker & Chlorine Odor Remover

Clorowash™ is a concentrated pressure/soft wash soap that contains a color marker & a chlorine odor remover. It is a versatile 3-in-1 solution designed for use with bleach. **Clorowash™** is tailored for pressure/soft washing application on houses, sidings, wooden decks, roofs, and more. Packing: Concentrate 5 gal Pail

Greasol™ 21- CST For Concrete, Stone & Tile

GREASOL™ 21 CST is a concentrated industrial-strength degreaser specifically formulated for concrete, stone, and tile surfaces. Designed to tackle the toughest stains, including dirt, grime, oil, grease, rust, mold, mildew, algae, and other contaminants, **GREASOL™ 21 CST** stands out as the go-to solution for even the most heavily blemished concrete and masonry surfaces. Packing: Concentrate 5 gal Pail.

Greasol™ 21 - H For Kitchen Hoods

GREASOL™ 21 H is a concentrated industrial-strength degreaser specifically formulated for cleaning kitchen hoods, hood filters & hood ventilation systems. Designed to tackle the toughest grease, grime, fats & oils, **GREASOL™ 21-H** stands out as the go-to solution for even the most heavily soiled hoods. Packing: Concentrate 5 gal Pail.

FresHands™ Foaming Hand Wash

FresHands™ is a high-foaming antibacterial soap with Triclosan. It is effective against E.Coli, Staphylococcus Aureus and Serratia Marcescens. This product can be used in food service establishments, schools, offices, hospitals, nursing homes, etc. **FresHands™** is enhanced with emollients and skin conditioners to ensure mildness, even with frequent hand washing. Packing: RTU 12/18 oz, 1000mL, 4/1 gal.

KRAZY™ Super Strong Crème Cleanser

KRAZY™ Crème Cleanser has the power to remove hard water stains, soap scum, rust, grease, and scuff marks. **KRAZY™** Crème Cleanser is versatile cleaner that can be used on sinks, bathtubs, shower enclosures, urinals, drinking fountains, glazed porcelain, stainless steel, ceramic, Formica®, fiber glass, and other non-porous washable surfaces. Packing: RTU 12/32 oz.

Bunk Kleen™ Firefighter Laundry Products

Bunk Kleen™ is a firefighter laundry detergent product line that is specifically formulated for cleaning bunker gear, FR clothing, and other PPE apparel. It is tough on soil but gentle on fabric. **Bunk Kleen™** comes in a variety of specified cleaning products like Heavy-Duty Fabric Conditioner, Laundry Detergent, Spot & Odor Remover and a Neutral Cleaner and Degreaser. Packing: Concentrate 5 gal Pail, RTU 12/32 oz.

CC Packs™

CC packs™ save time by skipping the hassle and complication of a dilution system while preventing the chemical waste of solutions measured by eye. **CC packs™** are designed with ease in mind. Meant for those on the grab-and-go, **CC packs™** are color coordinated both by liquid and label, meaning you can grab the one you need in a rush. With resealable packs and a chemical to meet almost any need, **CC packs™** make everything easier. Packing: Super Concentrate 48/1.5 oz
